Superfund Coordination

DEQ/BES

Meeting

This meeting was rescheduled from December 14th, and is on the 10th

floor in
our usual room.

The focus of tomorrow's coordination meeting will be
Outfall Basin 22C.

Our
objectives will be to:

- * Review existing basin data and
conceptual basin model;
- * Identify issues of concern and data
gaps; and
- * Define action items to facilitate source
evaluations and
basin RI
development.

Kristine -- let me know if you plan to call in.
Thanks.
